Facebook Live Streaming – Kelly is looking for someone to livestream the service in July. If you can help, please let her know.

Thinking about Christmas yet? Probably not, because it's only June, but many of us are working projects for the Holiday Bazaar. Kim Engelby has started canning jams. With the freezes earlier this the price of fruit has increased and the trees of people who donate fruit every year won't get any fruit this year. If you aren't sure how you can help, maybe you would consider a monetary donation to help with the supplies. If you donate to the bazaar supplies, please make sure you mark it on your donation so the financial secretary can record it correctly.

No YouTube in June. Eric and Pat are taking a well-deserved vacation so there won't be a YouTube video available after the service. Services will be streamed live on Facebook, and the video are available for 4 weeks after the recording.

Ascension and myHometown Ogden- We joined more than 1500 volunteers that did service over 150 service projects in the Ogden area. Thanks to those that helped set this up for us to participate.
