Success Stories from Family Promise

Hannah* came to Family Promise of Ogden to escape a boyfriend who was abusive towards her and her two children, aged 5 and 2. While she already had a job, Hannah had no savings and nowhere else to turn. In our program, she was able to find safety, childcare, and housing assistance that would help her and her children over the course of four months. In just 35 days, Hannah was able to turn her life around and graduate from our program, regaining confidence in herself and control in her life. She has since gotten a new and better job, continued to maintain her housing, and participated in our aftercare program. Both Hannah and her children have experienced the life-changing effects of Family Promise's program.

Clean out those basements and attics! We will have our church yard sale on October 16th from 8am-1pm. We are setting up on Friday the 15th and could use lots of help to get the stuff out of our storage rooms and into the gym. There are sign ups for both days in the narthex. Thanks in advance.
