How can we provide for our community? The council is in conversation about new ministry. There are a couple of things that are being discussed. One that we talked about last month is to provide an English as a Second Language class for people in the community. At our meeting this week, we will discuss the possibility of provide for a refugee family from the Ukraine. Here are a few links where you can read about this initiative.

If you didn't order, but would like one, please sign up on the sheet in the narthex. You can buy a shirt even if you aren't able to walk in the parade.
