Family Promise Success Story

Kesha* became homeless as a result of her third pregnancy, which left her on bedrest and in the hospital for weeks. Doctors had encouraged Kesha to not keep the baby, but she was willing to make any sacrifice to bring her little boy into this world.

When Kesha entered Family Promise, she had recently been released from the hospital, her son Albert was staying in the NICU, she was at the beginning of a separation from her husband, and she was settling into becoming a single mom of three. Despite the challenges Kesha faced, she secured employment within two weeks, saved money for the next eight weeks, received a car donation from a generous volunteer, and found a new place to call home in 75 days. The look of relief, gratitude, and achievement on Kesha's face will forever be imprinted on our hearts.

Thanks so much to Mark, Christie, and Anders Denniston for providing treats for coffee hour this morning
