Interfaith Works Request

Lisa Symanski of United Way has asked if Interfaith Works participants might be interested in assisting in a project of care for a man named Michael who lives in Ogden but needs transportation everyday Mon-Fri to Huntsman Cancer Clinic for about six weeks. Michael has no family members who can assist him. His appointment is at 10:30 a.m. each day. Volunteers would need to pick him up at his house, deliver him to Huntsman, wait the hour or during his treatment, and then drive him back to his home in Ogden (3732 Ogden Ave). Lisa has created an interactive Google calendar to make it easy for folks sign up:

Looking for Worship Assistants, Ushers and Greeters We are looking for members who would like to be Worship Assistants - training would be provided. We are also looking for Ushers and Greeters who would be interested in taking the 5th Sunday of each quarter. Let Pat Refsdal know if you are interested.

Family Promise Host Week is August 5-13. We will set up on Saturday afternoon at 3PM. The link for the sign up has gone out to our volunteer list. If you would like to help with Family Promise but have never had the opportunity, please speak with Kelly and she can give you more information. Here's the link for those who may not have received it.

Family Promise Building Project We are waiting for a letter of intent from Family Promise that will work out some of the details of the sale. Harrisville City is finishing up the approval of the project as well, and everything is on track.

Finally, a bit of Good News about our building. Jim Craig was able to get an engineer out to look at our roof and try to figure out why our shingles and roof are "wavy". While things aren't perfect, the news is as good as it can be. When the roof was installed, the builders oriented the sheathing in the wrong direction. This caused the problem with the shingles. We will not need to remove the entire roof. The engineer believes that we can put thinner sheets of plywood over what's already there and replace the shingles and our roof will be fine. Jim will be getting bids to see what the replacement will cost. We'll keep you updated.

If you haven't had the opportunity to see this movie yet, it's still showing in our local theaters for the next few days. This movie is based on a true story. Child trafficking is a horrific tragedy that many of God's children face every day.

Rise and Shine Breakfast is Sept 14 from 7:30 till 9AM. The event will be at the Copper Nickel events center, 2450 Grant Ave. Ogden. Ascension will have two tables this year. If you would like to attend, please see James or Kelly.
