The Building Improvement Committee

The Ascension Building Improvement Committee met several weeks ago to lay out a plan to continue with updates and repairs to the church and grounds. Currently members are completing Statements of Work and obtaining bids. We will soon meet to continue that effort with prioritizing and scheduling future work.

On this past Friday, we met with Hometown Ogden representatives to discuss and plan with their group of contractors, equipment and volunteers who are willing to help Ascension with upgrades to our landscaping, especially protecting the stucco from future water damage. More information will be forthcoming and there will be opportunities for Ascension volunteers to help during the month of July. This is an opportunity for Ascension to benefit from free contractor expertise; free equipment use and volunteers willing to come and help.

Going on Vacation this Summer?

We invite you to share where you are traveling with your Ascension Family. Please send a postcard from your summer travels and tell us about your adventures. Please send to:
